

Simple, complete and affordable **Loomis SafePoint Solo**

All you need from **just £99* per month!**

Just what you need to support your business and its cash cycle - and nothing more.

Loomis SafePoint Solo provides all you need to manage your business's cash in one simple solution - and at a price that won't break the bank!

With SafePoint Solo by Loomis you get a graded safe installed on your premises, a once weekly cash collection and all your cash counted and processed at one of our national cash centres prior to Loomis notifying your bank with how much the Bank can credit your account.

It really is that simple.

Loomis provide everything you need in a simple and complete solution with no middle-men, consultants or hidden extras. Just the necessary essentials to support your business and its cash cycle.

No capital investment is required from you and for just one low monthly fee your business will receive a comprehensive cash management solution.

SafePoint Solo is ideal for your business - whether you're starting up, branching out or locking down.

With a graded safe, cash in transit and cash processing included, you'll benefit from additional security while reducing the opportunity for cash 'shrinkage' - as your cash will be exposed to fewer touch points during the cash cycle and indemnified by Loomis from the moment it is deposited within the Safe .

And as with every solution provided by Loomis, it can grow with you and your business - it can be tailored over time to meet your evolving needs or additional ad-hoc services added to support seasonal needs i.e. additional collections at Christmas or other peak holiday/trading periods.

If you deal with foreign currency then why not further enhance your solution with Loomis FX

You can also have foreign currency collected from your premises - Loomis will process it and then pay it into your bank account in GBP - so you can utilise it as quickly as possible.

Loomis understands your operational needs and requirements so we offer you competitive rates and efficiency.

Our secure vehicles collect your foreign currency on a scheduled basis and provide daily fixed rates for exchange.

We can collect your foreign currency at the same time as we perform your normal Cash in Transit collections or can agree a schedule specifically based on your volumes and needs.

We even provide you with a supply of special Loomis FX barcoded bags and you don't even have to worry about mixing the currencies - just take a note of the volumes and values and we will do the rest.

Loomis FX provides a one-stop solution for all your foreign currency cash management needs - perhaps just what you need to add to your Loomis SafePoint Solo.

Managing **cash** in society.

Working for major financial institutions, independent ATM deployers, major retailers, public sector bodies and a huge range of businesses, Loomis provide cash management solutions and services to organisations that handle cash.

Whether you need to transport cash securely, eliminate opportunities for fraud or analyse and understand your cash flow in detail - we have a solution to meet your needs.
